## PRESS RELEASE

### UPDATE ON THE PRESIDENT'S TRIP TO LIBERIA

On the date of June 30, 2023, the President, accompanied by the Vice President for Administration, Mr. Tonzeah Zarwolo, made an official visit to the esteemed offices of the Carter Center in Liberia. A comprehensive dialogue ensued between the President, his Vice President, and the Carter Center Liberia's Country Representative, Mr. James Dorbor Jallah, along with the Head of the Center's Mental Health Department.

This gathering provided an opportunity for the President to express his gratitude to Mr. Jallah for the Center's benevolent act of helping to send Tenapu Carter back to Liberia and committing to paying her medical bills. He further elaborated on the achievements of Liberian students in Cyprus, with a special focus on their recent graduations. Integral to their discussions was the establishment of a synergistic relationship with the Carter Center, aiming to extend further support to Liberian students residing in Cyprus.

From their side, the Country Representative pledged that his esteemed organization would take upon itself the accountability of Ms. Carter's medical treatment and convalescence in Liberia. Furthermore, Mr. Jallah assured that he would maintain regular communication with the leadership and asked for an opportunity to deliberate with the President on methodologies through which both organizations could collaborate to enhance the wellbeing of Liberian students.

In recognition of their dedication to Ms. Carter's wellbeing, the Carter Center was bestowed with a Plaque as a token of gratitude.

In the forthcoming week, the President and his delegation will convene with some legislators and Cabinet Ministers of the Liberian Government.
