## PRESS RELEASE

### **REF: APPRECIATION TO MR. YONMAH AND FORMATION OF THE FOOD BANK**

The President has set up a FOOD BANK as a means of occasionally lending a helping hand to members of this Association. This FOOD BANK will only be a success with the support of all of the members of the Organization. No amount of money or support in kind would be too small to aid this cause. The Leadership has tasked the Crisis Committee to take charge of this initiative.

In this light, the rest of the Leadership joins the President to reverently thank Mr. Charles Yonmah, our dynamic Assistant Secretary General for his contribution worth over three-thousand Turkish Lira ( 3000.00 TL) to this initiative. Mr. Yonmah, as a way of celebrating his birthday, made donations of several food items to this initiative. Some of these items include but are not limited to three bags of rice, several bottles of sunflower oil, a few cartons of spaghetti and Noodles, as well as some seasoning. The leadership asks that other students should kindly try to follow suit and also endeavor to help all of us as we journey towards success here in Cyprus.

The leadership has also made contributions to this food bank with the donation of beans and an additional bag of rice. The distribution of these items will take place on Saturday as a means of alleviating the pains of treading this hard summer weather.

The items will be divided into packages and every package will include at least, rice, oil, noodles/spaghetti, and seasoning. For those in need of these donations, kindly send a private request to this WhatsApp number: +231-775-935-113

Kind regards
